CORRECTION OF INVENTOR NAMES

Commissioner for Patents P. O. Box 1450 Alexandria, VA 22313-1450

Sir:

The Declaration and Power of Attorney form submitted in this application listed two inventors, Robert P. Cazier and Eric F. Aas. The inventor names are also stated on the cover page of the specification, a copy of which is enclosed for reference. The Declaration and Power of Attorney form was printed using a font that apparently merged letters together so that they may have not been easily readable. Consequently, the Notice of Publication sent to the assignee of the present invention showed that the first inventor's last name was spelled as "Cozier" when is should be "Cazier" and the second inventor's last name was spelled as and "Aos" when is should be "Aas."

It is requested that the inventor names be corrected in this application to recite Robert P. Cazier and Eric F. Aas, and that a corrected Filing Receipt and/or Notice of Publication, as needed, be issued showing the corrected inventor names.

Respectfully submitted,

Date: June 15, 2005
